A Message from the ISAZ President – Nancy Gee

Dear ISAZ Members,

The 2024 ISAZ conference at Hartpury University is just around the corner and I can feel the excitement building! I've already read the [interactive program](#) in detail, and I am eager to attend every workshop, talk, and poster session that time will allow. I wish I could clone myself so I could attend them all!

It is always so energizing and engaging for me to see our HAI colleagues in person again. I love the conversations we have and the opportunities to meet new people who may become new points of contact, friends, or career-long collaborators. Those coffee-breaks at previous conferences have been extraordinarily productive for me and I look forward to chatting with you during one of those breaks at ISAZ 2024.

Please remember to attend the Annual General Meeting of our membership at the conference on Saturday June 29 at 9:00 AM UK time. **We will officially announce the location for the ISAZ 2025** conference at that meeting and you won't want to miss it!

I look forward to seeing old friends, making new friends, and spending time immersed in the subject I love – Human-Animal Interaction. Safe travels everyone and see you soon!

Nancy

ISAZ 2024 Conference News
